

ORDER OF ST RAPHAEL – CONCLAVE OF ST MARTIN AT SÉES

COMMANDERS ANNUAL REPORT

1. On the 18th October 2017, the St Martin's at Sees Conclave received a letter of thanks from "We Grow", which is a social enterprise run by Autism Initiatives, a national charity with its head office in Sefton. Autism Initiatives supports people with autism and Asperger syndrome throughout their education, living and work.

Our charitable donation of £310 enabled the charity to buy equipment for their garden nursery in Churchtown, Southport.

2. We are planning a visit to Burscough Priory where prayers will be offered prior to a meal at a local Eatery in Euxton.
3. An autumn or pre-Christmas visit to Chorley Market would be a seasonal treat followed by a visit to Botany Bay Shopping Centre. Alternatively, Afternoon Tea followed by a group visit to Ripon Minster for the Festival of Nine Lessons and Carols.
4. In Spring 2019 we could consider a visit to Chetham's School of Music in Manchester or alternatively a visit to Samlesbury Hall; a beautiful Stately Home in Lancashire.

Dame Pamela Robinson
